Reports of Suspected Abuse or Neglect of Children

Connecticut General Statute Section 17a-101 et seq. requires school employees who have reasonable cause to suspect or believe that a child has been abused or neglected, or placed at imminent risk of serious harm to report such suspicions to the appropriate authority. In furtherance of this statute and its purpose, it is the policy of the Board of Education (“the Board”) to require ALL EMPLOYEES of the Board to report suspected abuse and/or neglect, or imminent risk of serious harm, in accordance with the procedures set forth below.

1. Scope of Policy

This policy applies not only to employees who are required by law to report suspected child abuse and/or neglect, but to **ALL EMPLOYEES** of the Board.

2. Definitions

For the purposes of this policy:

"Abused" means that a child (a) has had physical injury or injuries inflicted upon him or her other than by accidental means, or (b) has injuries which are at variance with the history given of them, or (c) is in a condition which is the result of maltreatment, such as, but not limited to, malnutrition, sexual molestation or exploitation, deprivation of necessities, emotional maltreatment or cruel punishment.

"Neglected" means that a child (a) has been abandoned, or (b) is being denied proper care and attention, physically, educationally, emotionally or morally, or (c) is being permitted to live under conditions, circumstances or associations injurious to his wellbeing, or (d) has been abused.

“School employee” (A) A teacher, substitute teacher, school administrator, school superintendent, guidance counselor, psychologist, social worker, nurse, physician, school paraprofessional, or coach employed by the Board or who is working in a Board elementary, middle or high school; or (B) any other person, who, in the performance of his or her duties has regular contact with students and who provides services to or on behalf of students enrolled in the Weston Public Schools, pursuant to a contract with the Board.

"Statutory mandated reporter" means an individual required by Conn. Gen. Stat. Section 17a-101 to report suspected abuse and/or neglect of children. The term "statutory mandated reporter" includes all school employees, as defined above, and any person who holds or is issued a coaching permit by the State Board of Education, is a coach of intramural or interscholastic athletic and is eighteen years of age or older.

“Employees other than statutory mandated reporters” means an employee or independent contractor of the Board not included as a “school employee” as defined above. However, all Board employees are cautioned that they are likely a statutory mandated reporter under the provisions of (B) of “School Employee” above even if they are not listed under (A) of that definition.

3. What Must Be Reported

A report must be made when any employee of the Board in the ordinary course of such person's employment or profession has reasonable cause to suspect or believe that a child under the age of eighteen:

- a) has been abused or neglected;
- b) has had non-accidental physical injury, or injury which is at variance with the history given for such injury, inflicted upon him/her; or
- c) is placed at imminent risk of serious harm.

4. Reporting Procedures for Statutory Mandated Reporters

The following procedures apply only to statutory mandated reporters, as defined above.

When an employee of the Board who is a statutory mandated reporter and who, in the ordinary course of the person's employment, has reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm, the following steps shall be taken:

- (1) The employee shall make an oral report as soon as practicable, but not later than twelve hours after having reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm. Such oral report shall be made by telephone or in person to the Commissioner of Children and Families or the local law enforcement agency. The Department of Children and Families has established a 24 hour Child Abuse and Neglect Hotline at 1-800-842-2288 for the purpose of making such oral reports.
- (2) The employee shall also make an oral report as soon as practicable to the Building Principal or his/her designee, and/or the Superintendent or the Superintendent's designee. If the Building Principal is the alleged perpetrator of the abuse/neglect then the employee shall notify the Superintendent or the Superintendent's designee directly.
- (3) In cases involving suspected or believed abuse or neglect by a school employee, the Superintendent or his/her designee shall immediately notify the child's parent or guardian that such a report has been made.

- (4) Not later than forty-eight hours of making an oral report the employee shall submit a written report to the Commissioner of Children and Families or the Commissioner's designee containing all of the required information. The written report should be submitted on the DCF-136 form or any other form designated for that purpose.
- (5) The employee shall immediately submit a copy of the written report to the Building Principal or his/her designee and to the Superintendent or the Superintendent's designee.
- (6) If the report concerns suspected abuse or neglect by a school employee holding a certificate, authorization or permit issued by the State Department of Education, the Commissioner of Children and Families, or his/her designee, shall submit a copy of the written report to the Commissioner of Education (or his/her designee).

5. Reporting Procedures for Employees and Independent Contractors Other Than Statutory Mandated Reporters

The following procedures apply only to employees who are not statutory mandated reporters, as defined above.

- a) When an employee or independent contractor who is not a statutory mandated reporter and who, in the ordinary course of the person's employment or profession, has reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm, the following steps shall be taken:
 - (1) The employee or independent contractor shall make an oral report as soon as practicable, but not later than twelve hours after the employee has reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm. Such oral report shall be made by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.
 - (2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm, the Superintendent, in coordination with the reporting employee or independent contractor, shall cause reports to be made in accordance with the procedures set forth above for statutory mandated reporters.
- b) Nothing in this policy shall be construed to preclude an employee or independent contractor reporting suspected child abuse and/or neglect from reporting the same directly to the Commissioner of Children and Families.

6. Contents of Reports

Any oral or written report made pursuant to this policy shall contain the following information, if known:

- a) The names and addresses of the child and his/her parents or other persons responsible for his/her care;
- b) the age of the child;
- c) the gender of the child;
- d) the nature and extent of the child's injury or injuries, maltreatment or neglect;
- e) the approximate date and time the injury or injuries, maltreatment or neglect occurred;
- f) information concerning any previous injury or injuries to, or maltreatment or neglect of the child or his/her siblings;
- g) the circumstances in which the injury or injuries, maltreatment or neglect came to be known to the reporter;

- i) the reasons such person or persons are suspected of causing such injury or injuries, maltreatment or neglect;
- j) any information concerning any prior cases in which such person or persons have been suspected of causing an injury, maltreatment or neglect of a child; and
- k) whatever action, if any, was taken to treat, provide shelter or otherwise assist the child.

7. Investigation of the Report

- (a) The Superintendent or his/her designee shall thoroughly investigate reports of suspected abuse and neglect if/when such report involves an employee of the Board or other individual under control of the Board, provided such investigation does not impede an investigation by the Department of Children and Families ("DCF"). In all other cases, DCF shall be responsible for conducting the investigation with the cooperation and collaboration of the Board, as appropriate.

- (b) Recognizing the fact that the DCF is the lead agency for the investigation of child abuse and neglect reports, the Superintendent's investigation shall permit and give priority to any investigation conducted by the Commissioner of Children and Families or the appropriate local law enforcement agency. The Superintendent shall conduct the district's investigation and take any disciplinary action, consistent with state law, upon notice from the Commissioner of Children and Families or the appropriate local law enforcement agency that the district's investigation will not interfere with the investigation of the Commissioner of Children and Families or the local law enforcement agency.
 - (c) The Superintendent, or his/her designee, shall coordinate investigatory activities in or to minimize the number of interviews of any child and share information with other persons authorized to conduct an investigation of child abuse or neglect, as appropriate.
 - (d) Any person reporting child abuse or neglect, or having any information relevant to alleged abuse or neglect, shall provide the Superintendent with all information related to the investigation that is in the possession or control of such person, except as expressly prohibited by state or federal law.
 - (e) When the school district is conducting an investigation involving suspected abuse or neglect by an employee of the Board or other individual under the control of the Board, the Superintendent's investigation shall include an opportunity for the individual suspected of abuse or neglect to be heard with respect to the allegations contained within the report. During the course of such investigation, the Superintendent may suspend a Board employee with pay or may place the employee on administrative leave with pay, pending the outcome of the investigation. If the individual is one who provides services to or on behalf of students enrolled in the Weston Public Schools, pursuant to a contract with the Board, the Superintendent may suspend the provision of such services, and direct the individual to refrain from any contact with students enrolled in the Weston Public Schools, pending the outcome of the investigation.
8. Evidence of Abuse by a School Employee Holding a Certificate, Authorization or Permit Issued by the State Department of Education
- (a) If, upon completion of the investigation by the Commissioner of Children and Families ("Commissioner"), the Superintendent has received a report from the Commissioner that he or she has reasonable cause to believe that a child has been abused or neglected by a school employee as defined above, , and has recommended that such employee be placed on the child abuse and neglect registry, the Superintendent shall request (and the law provides) that DCF notify the Superintendent not later than five (5) working days after such finding, and provide the Superintendent with records, whether or not created by DCF, concerning such investigation. The Superintendent shall suspend such school employee. Such suspension shall be with pay and shall not result in the diminution or termination of benefits to such employee.

- (b) Not later than seventy-two (72) hours after such suspension, the Superintendent shall notify the Board and the Commissioner of Education, or the Commissioner of Education's representative, of the reasons for and the conditions of the suspension. The Superintendent shall disclose such records to the Commissioner of Education and the Board or its attorney for purposes of review of employment status or the status of such employee's certificate, permit or authorization, if any.
 - (c) The suspension of a school employee employed in a position requiring a certificate shall remain in effect until the Superintendent and/or Board acts pursuant to the provisions of Conn. Gen. Stat. §10-151. If the contract of employment of such certified school employee is terminated, or such certified school employee resigns such employment, the Superintendent shall notify the Commissioner of Education, or the Commissioner of Education's representative, within seventy-two hours after such termination or resignation.
 - (d) The suspension of a school employee employed in a position requiring an authorization or permit shall remain in effect until the Superintendent and/or Board acts pursuant to any applicable termination provisions. If the contract of employment of a school employee holding an authorization or permit from the State Department of Education is terminated, or such school employee resigns such employment, the Superintendent shall notify the Commissioner of Education, or the Commissioner of Education's representative, within seventy-two hours after such termination or resignation.
 - (e) Regardless of the outcome of any investigation by the Commissioner of Children and Families and/or the police, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment, in accordance with the provisions of any applicable statute, if the Superintendent's investigation produces evidence that a child has been abused or neglected by a school employee.
- (9) Evidence of Abuse or Neglect by an Independent Contractor of the Board
- If the investigation by the Superintendent and/or the Commissioner of Children and Families produces evidence that a child has been abused or neglected by any individual who provides services to or on behalf of students enrolled in the Weston Public Schools, pursuant to a contract with the Board, the Superintendent shall permanently suspend the provision of such services, and direct the individual to refrain from contact with students enrolled in Weston Public Schools.
- (10) Delegation of Authority by Superintendent
- The Superintendent may appoint a designee for the purposes of receiving and making reports, notifying and receiving notification, or investigating reports pursuant to this policy.

The Board also prohibits any employee from hindering or preventing or attempting to hinder or prevent any employee from making a report pursuant to this policy or state law concerning suspected child abuse or neglect or testifying in any proceeding involving child abuse or neglect.

(13) This policy shall be distributed annually to all school employees employed by the Board. The Superintendent or his/her designee shall document that all such school employees have received this written policy and completed the training and refresher training programs required by in Section 14, below.

14. Training

- a) All new school employees, as defined above, shall be required to complete an educational training program for the accurate and prompt identification and reporting of child abuse and neglect. Such training program shall be developed and approved by the Commissioner of Children and Families.
- b) All school employees, as defined above, shall retake a refresher training course developed and approved by the Commissioner of Children and Families at least once every three years.

15. Records

- a) The Board shall maintain in a central location all records of allegations, investigations and reports that a child has been abused or neglected by a school employee, as defined above, employed by the Board, and conducted in accordance with this policy. Such records shall include any reports made to the Department of Children and Families. The State Department of Education shall have access to such records upon request.
- b) Notwithstanding the provisions of Conn. Gen. Stat. §10-151c, the Board shall provide the Commissioner of Children and Families, upon request and for the purposes of an investigation by the Commissioner of Children and Families of suspected child abuse or neglect by a teacher employed by the Board, any records
