

Personnel -- Non-CertifiedVacations/Holidays

Non-certified employees on the regular non-certified salary schedule who are employed full-time are allowed vacation with pay each year according to terms established by employee agreement(s) and the current regulations established by the school district. Less than one year's service merits vacation in proportion to the time served. Part-time employees are not entitled to vacation time.

Non-certified employees receive holidays specified in law and in their contracts. Holidays falling within the employee's vacation time do not count as vacation days.

The term of employment to be used for determining vacation time shall be based on the time served by the employee during the fiscal year.
