

## How to locate your child's student number in Parent Portal

1. Log into Parent Portal on a web browser (not the mobile app on your phone).
  - a. Navigate to [www.weston.powerschool.com/public](http://www.weston.powerschool.com/public) and enter your username and password
  - b. Click on your student's name and then click on Attendance History.

- c. Your child's student number is here.
    - d. Write this number in a safe place as you will need it to open your child's progress report, as well as other documents throughout the year.
    - e. Repeat the process for any additional children you have.
