Subject: COVID-19 Update- Weston Public Schools-Immediate School Closure

This afternoon we received information of a potential exposure to COVID-19, which may have affected members of our school community. We immediately consulted with the Weston/Westport Health District as well as the Emergency Management officials within Weston.

Based on this consultation, in an abundance of caution, and at the recommendation of the Westport/Weston Health District, **the Weston Public Schools will be closed effective immediately and until further notice.** We will provide an update tomorrow on closure plans, and will continue to keep you informed.
