Subject: COVID-19 Update- Westport Public Schools Closing

We are aware that the Westport Public Schools will be closed until further notice due to a number of parents and students being in contact with an individual presumed to be positive with coronavirus.

We have been in consultation with the Westport/Weston Health District regarding this matter. At this time, there is no action required by the Weston Public Schools other than our continued efforts to be prepared in the event of a closure. All Weston Public Schools will remain in session. We will continue to closely monitor the situation and be in consultation with the Westport/Weston Health District. We will continue to keep you informed.
